

Eltham Camp Workshop Weekend 10-13 May 2019.

Although in the end, there were only 5 of us we had a great time and achieved a great deal.

As always the gremlin did his rounds so that Janet S. ended up doing one sleeve 4 times, Trish doing some 'start again', Doreen having a mistake right across the back of her garment and redoing of course, Janet B. not seeming to know where to put the cone on the cone winder. A senior moment it seems.

Elaine was, as always, a great help with computers and smart phones.

The meals supplied by ourselves were wonderful and enjoyed by all.

The weather Saturday from late afternoon when the wind got up was rather scary. Elaine was moved out of her accommodation as large trees nearby might come down, and about 11.30 pm the power went off and didn't come on until around 7 am next morning.

Not there, Janet.

Improvised 'cake stand'

Blanket looking good Elaine.

Trish concentrating.

Going well now Janet?

Just about finished

Some of the finished, (and almost finished) garments.
